

CREATOR CHATTER

January 2010

Dear Parents,

Winter is here! In the event of wintry weather, we feel we should remind everyone that we follow Hanover County's schedule and will close when they do for snow. In the event that Hanover county schools open one or two hours late, preschool will be held from 10:00 - 12:00 on those days. If the news report is calling for snow or freezing rain, please listen to your radio, TV, or check the Hanover county website in the morning.

*Hanover County has many rural areas and sometimes school is closed when we least expect it to be!

Best wishes for a happy and healthy 2010!
Sherry Webb and Judy Myers, Directors

- **January Calendar**
- **Registration Information**

Registration:

We are currently holding registration for the 2010-2011 school year. You will find the registration forms attached. If your child is currently enrolled in our three year old program, he/she is guaranteed a spot next year. Please fill out the forms and return along with your \$65 registration fee by January 25th.

If your child will be attending kindergarten next year, we would hope that you might pass your forms along to someone you know who may be interested in our preschool program. Our best marketing approach has always been word of mouth. Thank you for sharing information about our school with your friends and neighbors. If you should have any questions about registration, please see Judy or Sherry.
